What is *Q-Pain Mentholated Liniment* used for

Provides symptomatic relief of muscle and joint pain, rheumatism, backache and sprains

How does *Q-Pain Mentholated Liniment* work

Applied externally, it will cause a cool sensation, followed by a warm soothing and analgesic effect which may last several hours.

Before you use *Q-Pain Mentholated Liniment*

- When you must not use it
Persons with known or suspected allergies or intolerance to any ingredients in the product.

- Before you start to use it
Test on a small area of your skin if you suspect to have sensitive skin or be allergic to any ingredients in the product.

- Taking other medicines
Tell your doctor if you are taking any other medicines that you buy with or without prescription.
For patients taking warfarin, excessive application on to the skin for muscle or joint pains may increase the chances of bleeding.

How to use *Q-Pain Mentholated Liniment*

- How much to use
Use only sufficient amount onto the affected area.

- When to use it
Use when needed.

- How long to use it
Recommended to use up to 3 to 4 times a day or as directed by your doctor or pharmacist

- If you forget to use it
Consult your doctor on what you should do if you forgot to use it.
You may continue to experience symptomatic discomforts of muscle and joint pain, rheumatism, backache and sprains.

- If you use too much (overdose)
You may experience symptoms of discomfort such as dizziness, nausea or vomiting. Discontinue use immediately and consult a doctor or go to the nearest hospital emergency department.

While you are using it
- Things you must do
Apply on affected area gently until completely absorbed. For pregnant women and nursing women please consult a doctor before use.

- Things you must not do
- Avoid contact with eyes.
- Do not apply to wounds or damaged skin.
- Avoid direct application into nostrils
- Camphor can cause convulsion. Do not use on children below 2 years of age.
- Keep away from mucous membranes, open wounds.

- Things to be careful of
- If symptoms persist, please consult a doctor or pharmacist
- This product is contraindicated in children below 2 years of age.
- It is dangerous to place any camphor containing product into the nostril of children. A small amount applied this way may cause immediate collapse.
- Caution must be exercised when older children are treated.

Side effects
May cause hypersensitivity/allergic reactions, including contact dermatitis in some individuals with sensitive skin.

CAN CAUSE CONVULSION
CONTRAINDICATED IN CHILDREN BELOW 2 YEARS OF AGE
CAUTION MUST BE EXERCISED WHEN OLDER CHILDREN ARE TREATED
AVOID DIRECT APPLICATION INTO THE NOSTRILS

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers -> Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and Disposal of *Q-Pain Mentholated Liniment*
- Storage
Store below 30˚C, in a dry place
Keep out of reach of children.

- Disposal
