What DifflamAB Sore Throat Lozenges (Honey Lemon) is used for
DifflamAB Sore Throat Lozenges (Honey Lemon) is used for symptomatic relief of mouth and throat infections

How DifflamAB Sore Throat Lozenges (Honey Lemon) works
DifflamAB Sore Throat Lozenges (Honey Lemon) contains the active ingredients 2,4-Dichlorophenylcarbinol and Amylmetacresol that are antiseptics. These two active ingredients exert an antibacterial, antifungal and antiviral properties.

Before you use DifflamAB Sore Throat Lozenges (Honey Lemon)

- When you must not use it

Do not take this medicine:

- if you are allergic to 2,4-Dichlorophenylcarbinol and Amylmetacresol or any other ingredients of this medicine (listed in Product Description)
- in children below 6 years of age.

- Before you start to use it

Check with your doctor or pharmacist before taking DifflamAB Sore Throat Lozenges (Honey Lemon) if you have a rare hereditary condition called glucose-galactose malabsorption or sucrose isomaltose insufficiency.

Pregnancy and lactation

Please consult your doctor or pharmacist if you are pregnant, planning for pregnancy or breast-feeding before using any medicine.

- Taking other medicines

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use DifflamAB Sore Throat Lozenges (Honey Lemon)

Follow all directions given to you by your doctor and pharmacist carefully. They may differ from the information contained in this leaflet. If you do not understand the instructions on the label, ask your doctor or pharmacist for help.

- How much to use

The usual dose for adults and children (over 6 years old) is one lozenge, sucked slowly every 2 to 3 hours. You may take up to maximum of 12 lozenges only in one day.

- When to use it

Use as directed by your doctor or pharmacist.

- How long to use it

Use this medicine for the duration that your doctor recommends.

- If you forget to use it

Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the

medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you or anyone else may have used too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Gastrointestinal discomfort is a symptom of overdosage of this medicine.

While you are using DifflamAB Sore Throat Lozenges (Honey Lemon)

- Things you must do

Use your medicine exactly as your doctor has told you.

Tell all the doctors, dentists and pharmacists treating you that you are using DifflamAB Sore Throat Lozenges (Honey Lemon).

- Things you must not do

Do not stop using the medicine unless advised by your doctor.

Do not use any new medicines without consulting your doctor or pharmacist.

Do not give DifflamAB Sore Throat Lozenges (Honey Lemon) to anyone else, even if they have the same symptoms or condition as you.

- Things to be careful of

Driving and using machines

Be careful driving or operating machinery until you know how DifflamAB Sore Throat Lozenges (Honey Lemon) affects you.

Side effects

Like all medicines, DifflamAB Sore Throat Lozenges (Honey Lemon) can cause side effects, although not everybody gets them.

Possible side effects are:

- hypersensitivity reactions
- burning sensation of the mouth, especially the tongue
- oral discomfort

Visit your doctor or pharmacist immediately if you experience any side effects after using this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npa.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].
