What DURO-TUSS® AX CHESTY Cough Liquid is used for

DURO-TUSS® AX CHESTY Cough Liquid is used to thin the mucus in acute and chronic bronchial and lung diseases where thick and tenacious mucus is a problem.

How DURO-TUSS® AX CHESTY Cough Liquid works

DURO-TUSS® AX CHESTY Cough Liquid contains ambroxol hydrochloride, which helps to clear the chest by thinning the mucus in your air passage.

Before you use DURO-TUSS® AX CHESTY Cough Liquid

- When you must not use it

Do not use DURO-TUSS® AX CHESTY Cough Liquid if you are

allergic to ambroxol hydrochloride or to any of the other ingredients in DURO-TUSS® AX CHESTY Cough Liquid.

Pregnancy & Lactation

The use of DURO-TUSS® AX CHESTY Cough Liquid in the first trimester is not recommended. Ask your doctor or pharmacist for advice if you are pregnant, or likely to become pregnant while taking this medication.

DURO-TUSS® AX CHESTY Cough Liquid is not recommended for use in nursing mothers.

-Before you start to use it

Inform your doctor or pharmacist if you have, or have had liver or kidney problems.

-Taking other medicines

Tell your pharmacist or doctor if you are taking any other medicines, including any that you get without a prescription or that are herbal from your pharmacy, supermarket or health food shop.

Your pharmacist or doctor will have more information on medicines to be careful with or avoid while taking this medicine.

How to use DURO-TUSS® AX CHESTY Cough Liquid

-How much to use

Always take this medicine exactly as described in this leaflet or as your doctor or pharmacist has told you. Check with your doctor or pharmacist if you are not sure.

Children from 1 to 2 years of age:

2.5ml of solution should be taken two times daily.

Children from 2 to 5 years of age:

2.5ml of solution should be taken three times daily.

Children from 6 to 12 years of age: 5ml of solution should be taken two to three times daily.

Adults and adolescents from 12 years of age:

10ml of solution should be taken two times daily.

This dosage is for first 14 days; the dosage may be halved after 14 days.

-When to use it

Use as directed by your doctor or Pharmacist.

-How long to use it

Continue taking DURO-TUSS® AX CHESTY Cough Liquid for as long as your doctor/pharmacist recommends.

If cough persists, see your doctor or pharmacist

-If you forgot to use it

Consult your doctor or pharmacist on what you should do if you forget to use it. Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

-If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

DURO-TUSS® AX CHESTY Cough Liquid

Ambroxol hydrochloride (30mg)

While you are using DURO-TUSS® AX CHESTY Cough Liquid

-Things you must do

Take your medicine exactly as your doctor has told you.

Tell all the doctors, dentists and pharmacists treating you that you are taking DURO-TUSS® AX CHESTY Cough Liquid.

Tell your doctor immediately if you become pregnant while taking this medication.

-Things you must not do

Do not stop taking the medicine unless advised by your doctor.

Do not take any new medicines without consulting your doctor.

Do not give DURO-TUSS® AX CHESTY Cough Liquid to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of

Driving and using machines
There is no evidence that DURO-TUSS® AX CHESTY Cough Liquid has any effect on the ability to drive and use machines.

Side effects

Like all medicines, this medicine can cause side effects, although not everybody gets them.

DURO-TUSS® AX CHESTY Cough Liquid may cause severe allergy and serious skin reactions. Stop using DURO-TUSS® AX CHESTY Cough Liquid and seek medical assistance immediately if you experience any of the following symptoms:

- 1)severe allergy: breathing difficulties, light headedness, skin swellings or rash
- 2)severe skin reaction: skin reddening,

blisters, rash, fever, sore throat or eye irritation.

Tell your doctor or pharmacist as soon as possible if you experience any side effects during or after taking DURO-TUSS® AX CHESTY Cough Liquid, so that these may be properly treated. In addition, unexpected effects, not listed above, can occur with any medicine. You should tell your doctor or pharmacist if you notice anything unusual, during or after taking DURO- TUSS® AX CHESTY Cough Liquid.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers -> Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and disposal of DURO-TUSS® AX CHESTY Cough Liquid

-Storage

Keep your medicine in a cool dry place where the temperature stays below 30°C.

Keep it where children cannot reach it.

-Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
