1. What SC Pharma Eusol Solution Max A & B is used for
For skin disinfection particularly wound and ulcer cleaning.

2. How SC Pharma Eusol Solution Max A & B works
When contact with skin, Eusol will release nascent chlorine as a desloughing agent, separates slough from infected ulcers, wounds, burns wounds, and bed sores. It will kill endothelial cells, fibroblasts, and neutrophils in tissue culture. Eusol is acidity in pH, hence, useful in wounds infected by *Pseudomonas* bacteria.

3. Before you use SC Pharma Eusol Solution Max A & B
When you must not take it
Do not use this product if you are allergic to the ingredients of the product.

Before you start to use it
