What Strepsils Warm Ginger Lozenges is used for

Strepsils Warm Ginger Lozenges contains two antiseptic ingredients for use in throat medications. These are used for symptomatic relief of mouth and throat infections. These ingredients are both mild antiseptic which kill the bacteria associated with mouth and throat infections. The action of sucking the lozenge allows the active ingredients to work in the area of the discomfort and also helps lubricate and soothe the painful area. This helps relieve the soreness and discomfort of mouth and throat infections.

How Strepsils Warm Ginger works

This medicine helps relieve the discomfort and pain of sore throats. It contains the antiseptics amylmetacresol and dichlorobenzyl alcohol which kill the germs that cause sore throat.

This medicine is available in the form of lozenges which slowly dissolve in the mouth when sucked.

Before you use Strepsils Warm Ginger Lozenges

- When you must not use it

Do not take this product if you:

- Are allergic (hypersensitive) to Amylmetacresol, Dichlorophenylcarbinol or any of the other inactive ingredients
- You have an intolerance to certain sugars such as fructose, glucose-galactose and sucrose-isomaltose.
- Are under 6 years old.

Pregnancy and breast-feeding

It is not recommended to use this product if you think you are pregnant, are pregnant or are breastfeeding.

Ask your doctor or pharmacist for advice before taking any medicine.

- Before you start to use it

Tell your doctor or pharmacist if you:

- Are taking or have recently taken any other medicines, including medicines obtained without a prescription.
- Suffer or are suffering from any other throat problems.

- Taking other medicines

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use Strepsils Warm Ginger Lozenges

- How much to use

Remove one lozenge from the foil blister packaging.

Replace the foil blister back into the cardboard carton.

Place lozenge into the mouth allowing it to dissolve slowly.

Dissolve one lozenge slowly in the mouth every 2-3 hours.

Adults, Children (over 6 years old) and the elderly – One lozenge to be dissolved slowly in the mouth every 2-3 hours up to a maximum of 12 lozenges in 24 hours.

It is not recommended that children under 6 years use this product. Remember that young children can choke on lozenges.

- When to use it

Use as directed by your doctor or pharmacist.

- How long to use it

Continue taking Strepsils Warm Ginger Lozenges for as long as your doctor recommends.

- If you forget to use it

Consult your doctor or pharmacist on what you should do if you forget to use it.

Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

- If you use too much (overdose)

If you take more of this product than you should

You may experience stomach discomfort.

Do not take any more of this product and consult your doctor or pharmacist.

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.
