What Euky Bear Eucalyptus Oil is used for

1. Inhalation: to relief symptoms of cold and flu
2. Topical: to relief muscular aches, pains, sprains and strains.

How Euky Bear Eucalyptus Oil works

This medicine contains eucalyptus oil which clear nasal congestions and relieve cough as well as reduce muscle soreness and inflammation.

Before you use Euky Bear Eucalyptus Oil

- When you must not use it

Do not use this medicine if:

- you are allergic (hypersensitive) to eucalyptus oil.

- Before you start to use it

Pregnancy and lactation

Please consult your doctor or pharmacist if you are pregnant, planning for pregnancy or breast-feeding before using any medicine.

- Taking other medicines

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a

pharmacy, supermarket or health food shop.

How to use Euky Bear Eucalyptus Oil

- How much to use

Follow all directions given to you by your doctor and pharmacist carefully. For inhalation: add 15-20 drops of oil to a bowl of steaming hot water and inhale vapor, or sprinkle a few drops on handkerchief and inhale

For topical use: gently massage oil into the affected parts until a warm glow appears. Repeat at intervals until pain or swelling disappears.

- When to use it

Use as directed by your doctor or pharmacist.

- How long to use it

Use Euky Bear Eucalyptus Oil for the duration that your doctor recommended.

- If you forget to use it

Apply the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to apply the medicine and skip the missed dose. Do not apply a double dose to make up for the missed dose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you may have use too much of this medicine or accidentally ingested. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention. Excessive use of this medicine may cause symptoms like spinning sensation, coordination disorder, muscular weakness, unresponsive, looking pale dan bluish discoloration of the skin.

If swallowed, do not induce vomiting, drink a glass of water.

While you are using it
