## What Kangaroo Brand<sup>®</sup> Eucalyptus Oil is used for

Kangaroo Brand<sup>®</sup> Eucalyptus Oil is used for external relief of symptoms of cold, wind and flatulence, muscle stiffness, minor bruises and minor sprains.

## How Kangaroo Brand<sup>®</sup> Eucalyptus Oil works

Kangaroo Brand<sup>®</sup> Eucalyptus Oil contains Eucalyptus Oil, which has soothing effect.

## Before you use Kangaroo Brand<sup>®</sup> Eucalyptus Oil

- When you must not use it  
Do not use this medicine if you are allergic to eucalyptus oil.

### *Pregnancy and lactation*

Ask your doctor or pharmacist for advice before using any medicine.

- Before you start to use it  
Always use Kangaroo Brand<sup>®</sup> Eucalyptus Oil exactly as directed by your doctor or pharmacist.

### - Taking other medicines

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

## How to use Kangaroo Brand<sup>®</sup> Eucalyptus Oil

- How much to use  
Apply to chest or massage onto the affected area as required.
  - For Common Colds:  
Children and Adults: Dab a drop of Kangaroo Brand<sup>®</sup> Eucalyptus Oil on nostrils. Massage the oil gently on the chest and back.  
Infants: Dilute Kangaroo Brand<sup>®</sup> Eucalyptus Oil in water and baby oil, and rub gently on chest and back.
  - For Wind and Flatulence:  
Apply Kangaroo Brand<sup>®</sup> Eucalyptus Oil on the abdomen and rub gently to ease flatulence. Kangaroo Brand<sup>®</sup> Eucalyptus Oil is especially good in preventing 'wind' for newborns when applied to their navels.
  - For Muscle Stiffness, Minor Bruises and Minor Sprains:  
Gently massage Kangaroo Brand<sup>®</sup> Eucalyptus Oil on the affected area to soothe it.

- When to use it  
Repeat at intervals if necessary.

- How long to use it  
Use Kangaroo Brand<sup>®</sup> Eucalyptus Oil for the duration as your doctor recommends.

If symptoms persist, please consult your doctor or pharmacist.

- If you forget to use it  
Consult your doctor or pharmacist on what you should do if you forget to use it.

Apply the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to apply the medicine and skip the missed dose. Do not apply a

double dose to make up for the missed dose.

- If you use too much (overdose)  
Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have used too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Overdose symptoms such as dizziness, disorders of movement coordination, muscular weakness, unresponsive, paleness and bluish discolouration of skin can occur.

## While you are using it

- Things you must do  
If irritation develops, discontinue use.

Tell all the doctors and pharmacists treating you that you are using Kangaroo Brand<sup>®</sup> Eucalyptus Oil.

- Things you must not do  
Do not take any new medicines without consulting your doctor or pharmacist.

Do not give Kangaroo Brand<sup>®</sup> Eucalyptus Oil to anyone else, even if they have the same symptoms or condition as you.

- Things to be careful of
  - Avoid contact with eyes.
  - For external use only.
  - Keep out of reach of children.
  - If swallowed, get medical help immediately.

## Side effects

Visit your doctor or pharmacist immediately if you experience any side effects after using this medicine.
