What Natural Wellness Calamine Cream is used for

Natural Wellness Calamine Cream is used to relieve itching.

How Natural Wellness Calamine Cream works

Natural Wellness Calamine Cream has a mild astringent action and soothing effect when applied to the skin.

Before you use Natural Wellness Calamine Cream

-When you must not use it

Do not use this medicine if you are allergic to calamine or zinc oxide or any ingredients of this medicine (listed in Product Description).

-Before you start to use it

Pregnancy and lactation

Please consult your doctor or pharmacist if you are pregnant, planning for pregnancy or breast-feeding before using any medicine.

-Taking other medicines

Consult your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use Natural Wellness Calamine Cream

-How much to use

Wash and dry the affected areas. Apply the cream liberally to the affected parts and surrounding skin areas 2-3 times daily as required.

-When to use it

Apply 2-3 times a daily or as directed by your doctor/pharmacist

-How long to use it

Use Natural Wellness Calamine Cream for the duration as your doctor recommends.

-If you forget to use it

Consult your doctor or pharmacist on what should do if you forget to use it.

Apply the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to apply the medicine and skip the missed dose. Do not apply a double dose to make up for the missed dose.

-If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have use too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

While you are using it

-Things you must do to

Use your medicine exactly as your doctor has told you.

Tell all doctors, dentists and pharmacists treating you that you are using Natural Wellness Calamine Cream.

Tell your doctor immediately if you become pregnant while using this medication.

-Things you must not do

Do not use any new medicines without consulting your doctor or pharmacist.

Do not give Natural Wellness Calamine Cream to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of

For External use only.

Natural Wellness Calamine Cream should not be applied to raw surfaces or mucous membranes.

Side effects

Localized hypersensitivity reaction may rarely occur.

If a burning sensation or rash develops or if the symptoms persist, please consult the doctor.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers→Reporting Side effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and Disposal of Natural Wellness Calamine Cream

-Storage

Store below 30°C. Keep out of the reach and sight of children.

-Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
