What ROHTO Eye Wash is used for

ROHTO Eye Wash is:

- used for the relief of minor eye irritations caused by dusty or smoky atmospheres, driving or close work that may tire and cause discomfort to eyes.

How ROHTO Eye Wash works

Hamamelis water/witch hazel has cooling and soothing properties.

Before you use ROHTO Eye Wash

- When you must not use it

Do not use ROHTO Eye Wash if you are hypersensitive to any of its ingredients

How to use ROHTO Eye Wash

- How much to use
- Before using ROHTO Eye Wash, cleanse the eyebath and skin around your eyes.
- Pour ROHTO Eye Wash to eyebath about 5 mL or until the liquid surface reaches the indicator line on eyebath.
- After inclining your head, put eyebath on your eye and press it slowly until eyebath fits.
- Blink your eye while pressing eyebath gently, and let ROHTO Eye Wash flow and cleanse your eye. Repeat for about 30 seconds. Do not worry about leakage or spilling out.

- Discard the liquid, and wash the eyebath.
- Repeat the above steps for another eye.
- After using ROHTO Eye Wash, close your eyes for a while and gently rub your eye area with dry tissue. Do not wash your eyes with another liquid.
- Wash the eyebath and keep it in a dry place.
- ROHTO Eye Wash can be used as needed.

While you are using it

Things to be careful of

- Use eyebath for one person only and do not share with others.
- ROHTO Eye Wash can be used up to 3 months after the seal is opened.
- Keep this medicine away from children.
- This medicine contains Benzalkonium Chloride, long term usage can cause eye membrane damage
- Do not use this medicine routinely or in a long term. Stop using it until the symptom disappears.
- Do not use this medicine when wearing contact lens. Wait 10-15 minutes before wearing contact lens.

Side effects

Stop using if you have experienced allergic symptoms from any of the ingredient contained in this product.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npa.moh.gov.my (Public → Reporting Medicinal Problems / Side Effects / AEFI / Vaccine Safety).

Storage and Disposal of ROHTO Eye Wash

- Storage
