What Win-Aqueous Cream is used for

Win-Aqueous Cream is used as an emollient for the relief of the symptoms of dry skin conditions.

How Win-Aqueous Cream works

Win-Aqueous Cream ingredients have emollient properties that soften or soothe the skin.

Before you use Win-Aqueous Cream

- When you must not use it
Do not use Win-Aqueous Cream if:
 - you are allergic to any of the ingredients of this product (listed in Product Description)
- Before you start to use it
Inform your doctor or pharmacist if you are having any medical conditions.
- Taking other medicines
Inform your doctor or pharmacist if you are taking or have recently taken other pharmaceutical products, including any that you get without a prescription from your pharmacy, supermarket, or health food store.

How to use Win-Aqueous Cream

- How much to use
Apply to the affected area as required or as directed by your doctor or pharmacist.
- When to use it
Use as directed by your doctor or pharmacist. For use on the skin only.
- How long to use it
Continue using Win-Aqueous Cream as recommended by your doctor. If symptoms persist, consult your doctor.

- If you forget to use it
If you forget to use it, do not worry. Apply the cream and continue as normal. If you are not sure of what to do, ask your doctor or pharmacist.
- If you use too much (overdose)
Apply the cream evenly over the skin. If you accidentally use more than usual, do not worry as it will not cause any harm to the affected area.

While you are using it

- Things you must do
Always wash your hands before and after you use the cream.
- Things you must not do
Do not use any new medicines without consulting your doctor or pharmacist.

Do not give Win-Aqueous Cream to anyone else, even if they have the same symptoms or condition as you.
- Things to be careful of
Avoid contact with eyes, nose, and mouth. Not to be taken.

Side effects

Like all medicines, Win-Aqueous Cream can cause side effects, although not everybody gets them.

Win-Aqueous Cream may be associated with immediate skin reactions when used as a leave-on emollient, such as stinging, burning, itching and redness.

If symptoms persist, discontinue the medicine and see the doctor.

Visit your doctor or pharmacist immediately if you experience any serious side effects after using this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring visiting the website npa.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and Disposal of Win-Aqueous Cream

- Storage
 - Keep out of the reach and sight of children.
 - Store below 30°C.
 - Protect from light.
 - Keep container tightly closed.

- Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
