What Poy-Sian Brand Mark II Inhaler is used for?

Poy-Sian Brand Mark II Inhaler is used for the symptomatic relief of nasal congestion associated with catarrh, colds and hay fever.

How Poy-Sian Brand Mark II Inhaler works?

Poy-Sian Brand Mark II Inhaler contains menthol 42%v/v, camphor 16.4%w/v and eucalyptus oil 8.5%v/v which are formulated as an inhalation that act locally in the respiratory tract.

Before you use Poy-Sian Brand Mark II Inhaler:

- When you must not use it?
 - a) If you are having history of hypersensitivity to menthol or camphor or eucalyptus oil.
 - b) If you are going to apply this product to children below 2 years old.
- Before you start to use it.

Please consult your doctor/ pharmacist prior to using this product if you are pregnant, breastfeeding or having other concomitant respiratory problem.

- Taking other medicines.

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use Poy-Sian Brand Mark II Inhaler:

- How much to use

Put the inhaler close to nostrils or drop 1 - 2 drops from the applicator on a clean handkerchief and inhale gently. Use only when necessary.

- When to use it?

Poy-Sian Brand Mark II Inhaler can be applied anytime whenever necessary.

- How long to use it?

Use only when necessary or in accordance with professional medical advice.

- If you forget to use it.

This product can be used only when necessary when you have stuffy nose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

While you are using it:

- Things you must do.

Follow the dosing instruction. Ensure cleanliness of the affected area before and after applying the product.
- Things you must not do.

The product must not be inserted into the nostril. Do not apply to children below 2 years old. When older children are treated, do not apply into nostrils. This product is used externally only, not to be taken orally.

- Things to be careful of.

This product can never be used in children below 2 years of age. Caution must be exercised when older children are treated. It is dangerous to place any camphor containing product into the nostrils of children. A small amount applied this way may cause immediate collapse. When there is no improvement, stop the treatment and consult doctor/pharmacist. Use of the product in children shall be under supervision of guardian.

Side effects:

Like all medicines, Poy-Sian Brand Mark II Inhaler can cause side effects, although not everybody gets them.

Visit your doctor or pharmacist immediately if you experience any side effects after taking this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and disposal of Poy-Sian Brand Mark II Inhaler

- Storage

Store below 30 °C. Keep out of reach of children.
- Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
