What Ammeltz Yoko Yoko is used for

Stiffness, muscular ache, joint pain, limb fatigue, bruise, sprain, loin pain and chilblain (small, itchy swellings on the skin that occur as a reaction to cold temperatures).

How Ammeltz Yoko Yoko works

Ammeltz Yoko Yoko contains methyl salicylate, menthol and camphor as active ingredients.

Methyl salicylate is a topical analgesic (pain reliever) and menthol and camphor has cooling effect on skin which distract you from feeling the aches/pains deeper in your muscles and joints.

Before you use Ammeltz Yoko Yoko

-When you must not use it

Do not take use this medicine if:

- you are allergic to Methyl Salicylate, Menthol, Camphor or any other ingredients of this medicine (listed in Product Description).
- Infants below 2 years old.

-Before you start to use it

Pregnancy and lactation

Please consult your doctor or pharmacist if you are pregnant, planning for pregnancy or breast-feeding before using any medicine.

-Taking other medicines

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

Caution is advised if you are taking warfarin. (Excessive application may

increase the chance of bleeding.)

How to use Ammeltz Yoko Yoko

Use only for adults & children above 2 years old. For external application only.

-How much to use

Apply a proper amount to affected parts.

-When to use it

Apply 2 to 3 times a day or as directed by your doctor or pharmacist.

-How long to use it

Use Ammeltz Yoko Yoko for the duration that the doctor or pharmacist recommends.

-If you forget to use it

Apply the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to apply the medicine and skip the missed dose. Do not apply a double dose to make up for the missed dose.

-If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have use too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

While you are using Ammeltz Yoko Yoko

-Things you must do

Use your medicine exactly as your doctor or pharmacist has told you.

Tell all the doctors, dentists and pharmacists treating you that you are using Ammeltz Yoko Yoko.

Tell your doctor immediately if you become pregnant while using this medication.

Wash hands after use to prevent any chance of irritation to the eyes.

-Things you must not do

Avoid contact with the eyes. If the liquid happens to get into the eyes, please rinse well.

Do not apply to wounds or damaged skin. Do not use any new medicines without consulting your doctor or pharmacist.

Do not give Ammeltz Yoko Yoko to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of

The skin may at first appear red when used by some people with sensitive skin, but this will soon fade.

It is dangerous to place any camphor containing product into the nostril of children. A small amount applied this way may cause immediate collapse.

Can cause convulsion. Caution must be exercised when older children are treated.

Side effects

Rash, redness, swelling and itching may occur.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers →Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and Disposal of Ammeltz Yoko Yoko

-Storage

Keep away from direct sunlight and fire. Keep at temperature below 30°C. Keep out of the reach of children. Do not use Ammeltz Yoko Yoko after the expiry date stated.

-Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist on how to dispose of medicines no longer required. These measures will help to protect the environment.
