What New Ammeltz Yoko Yoko is used for

Stiffness of shoulders, muscular pain, muscular fatigue, low back pain, bruises, sprains and joint pain.

How New Ammeltz Yoko Yoko works

Glycol Salicylate, Menthol, Nonivamide and Benzyl nicotinate are combination of topical medicine used to provide temporary relief of mild to moderate aches and pains of the muscles and joints, including pain caused by muscle stiffness or bruising, or sprains.

Menthol in this medicine has cooling effect on skin which distract you from feeling the aches/pains deeper in your muscles and joints.

Before you use New Ammeltz Yoko Yoko

-When you must not use it

Do not use this medicine if:

-you are allergic to Glycol Salicylate, Menthol, Benzyl Nicotinate, Nonivamide or any other ingredients of this medicine (listed in Product Description).

-Infants below 2 years old.

-Before you start to use it

Pregnancy and lactation

Please consult your doctor or pharmacist if you are pregnant, planning for pregnancy or breast-feeding before using any medicine.

-Taking other medicines

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use New Ammeltz Yoko Yoko

Use only for adults & children above 2 years old. For external application only.

-How much to use

Apply a proper amount to affected parts.

-When to use it

Use 2 to 3 times a day or as directed by your doctor or pharmacist.

-How long to use it

Use New Ammeltz Yoko Yoko for the duration that the doctor or pharmacist recommends.

-If you forget to use it

Apply the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to apply the medicine and skip the missed dose. Do not apply a double dose to make up for the missed dose.

-If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have use too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Using too much of this medicine may cause rash, reddening, swelling, itching.

While you are using New Ammeltz Yoko Yoko

-Things you must do

Tell all the doctors, dentists and pharmacists treating you that you are using New Ammeltz Yoko Yoko.

Use your medicine exactly as your doctor or pharmacist has told you.

Tell your doctor immediately if you become pregnant while using this medication.

-Things you must not do

Do not use any new medicines without consulting your doctor or pharmacist.

Do not give New Ammeltz Yoko Yoko to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of
