What Minyak Angin Cap Lang is used for

For temporary relief of minor aches and pains of muscle and joints associated with arthritis, strains, and sprains.

How Minyak Angin Cap Lang works

It has mild warm soothing and pain relief effects. When massaged gently on the skin, it produces a cooling effect followed by a sensation of warmth.

Before you use Minyak Angin Cap Lang

- When you must not use it
 - Hypersensitivity to any of the ingredients in the product.
 - This product can cause convulsions. Do not use on children below 2 years of age.
 - Before you start to use it
It may cause allergic reaction in some individuals with sensitive skin. Before you start using it, test on small area first.
- Consult a doctor before use if you are pregnant or breastfeeding.
- Taking other medicines
This product contains methyl salicylate and when applied or rub on to the skin, can be absorbed through the skin into the blood.

If you are taking warfarin, excessive application on to the skin for muscle or joint pains may increase the chances of bleeding.

How to use Minyak Angin Cap Lang

- How much to use
Gently massage or rub a sufficient amount of the oily liquid onto affected area.
- When to use it
Recommended to use 3 to 4 times daily or if necessary.
- How long to use it
This product is usually for short term use only.
- If you forget to use it
Use as soon as you remember if you feel aches and pains.
- If you use too much (overdose)
Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have used too much of this product. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Using too much liquid may cause irritation.

While you are using it

- Things you must do
Apply on affected area gently until completely absorbed.
- Things you must not do
 - Do not apply Minyak Angin Cap Lang on wounds or irritated skin.
 - Do not bandage tightly.
- Things to be careful of
 - Caution must be exercised when older children are treated.
 - It is dangerous to place any camphor containing product into the nostril of children. A

small amount applied this way may cause immediate collapse.

- For external use only.

Side effects

Like all medicines, Minyak Angin Cap Lang can cause side effects, in the form of allergy to any of the ingredients, although not everybody gets them.

Visit your doctor or pharmacist immediately if you experience any side effects after using this product.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and Disposal of Minyak Angin Cap Lang

- Storage
Store below 30°C, in a cool place, protected from light and in a well-closed container.
- Keep out of reach of children.
- Disposal
The product should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of products no longer required. These measures will help to protect the environment.
