What Tieh Lo Hong Qianli Zhuifeng Medicated Oil is used for?

It is used to relieve mild to moderate muscular pain, rheumatic pain, minor bruises, and sprains.

How Tieh Lo Hong Qianli Zhuifeng Medicated Oil works?

It contains counterirritants: turpentine oil, methyl salicylate, peppermint oil and cinnamom leaf oil which are formulated as medicated oil for external use. It has warmth and analgesic effects that can help to relieve pain and sprains.

Before you use Tieh Lo Hong Qianli Zhuifeng Medicated Oil

- When you must not use it

During pregnancy and lactation.

Do not use it when you are allergic to any ingredients of this medicated oil.

This product contains methyl salicylate and when applied or rub on to the skin, can be absorbed through the skin into the blood. For patients taking warfarin, excessive application on to the skin for muscle or joint pains may increase the chances of bleeding. For external use only. Not to be taken orally.

- Before you start use it

It can cause allergic reaction in some individuals with sensitive skin. Before

using it, try on a smaller skin surface first.

- Taking other medicines

This medicine is for external use only and usually has less effect than other medicines. However please tell your doctor or pharmacist if you are taking other medicines.

How to use Tieh Lo Hong Qianli Zhuifeng Medicated Oil

- How much to use

Apply the medicated oil and rubbed gently. not more than 3 times daily. Follow all directions given to you

- When to use it

Tieh Lo Hong Qianli Zhuifeng Medicated Oil can be applied whenever necessary but not more than 3 times daily.

- How long to use it

Use only when necessary or in accordance with professional medical advice. If symptoms do not improve, consult your doctor or pharmacist.

- If you forget to use it

Apply the oil on the affected area when necessary as soon as you remember.

- If you use too much (overdose)

If you have used too much this medicated oil, contact your doctor immediately or go to the Emergency Department of your nearest hospital, bring any remaining oil together. Over dosage may result in skin irritation. Swallowing the liniment might cause gastrointestinal symptoms like vomiting and diarrhoea.

While you are using Tieh Lo Hong Qianli Zhuifeng Medicated Oil
