What Polylab Methylated Spirit is used for

Skin antiseptic and disinfectant.

How Polylab Methylated Spirit works

Denaturing proteins and dissolving lipids, destroying many bacterial and viral cells.

Before using Polylab Methylated Spirit

When you must not use it

You are allergic to ingredients present in Polylab Methylated Spirit.

Before you start to use it

Please consult your doctor or pharmacist before using it.

Taking other medicines

Please inform your doctor or pharmacist if you are taking any other medications.

How to use Polylab Methylated Spirit

How much to use

Apply undiluted as required.

When to use

Follow the directions on the label carefully and as instructed by your doctor or pharmacist.

How long to use

Please refer to your doctor or pharmacist.

If you forget to use it

Apply as soon as you remember, if it is too near to the next dose timing, apply the next dose at normal time. Do not apply extra to make up for the missed dose.

If you use too much (overdose)

Wash immediately with plenty of water, and seek medical attention.

While you are using Polylab Methylated Spirit

Things you must do

Consult your doctor or pharmacist if symptoms persist. Doctor or pharmacist will assess your situation and advise on the need to continue application of Polylab Methylated Spirit.

Things you must not do

Do not administer Polylab Methylated Spirit to treat other complaints unless advised by your doctor.

Things to be careful of

- For external use only
- Do not use on broken or inflamed skin
- Avoid contact with eyes and mouth
- Not to be taken by mouth
- Keep out of reach of children

Side Effects

Contains ethanol: frequent use may produce irritation and dry skin.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by calling Tel: 03-78835490, or visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and Disposal of Polylab Methylated Spirit

Storage

- Store in a dry place below 30°C.
- Protect from light.
- Keep container tightly closed.

Disposal

Polylab Methylated Spirit should not be disposed via wastewater or household waste. Ask advice from pharmacist on the correct disposal of the product once no longer required. This will help to protect the environment.

Product Description

What it looks like

Clear, colourless and odourless liquid.

Active ingredient:

- Methylated Spirit (Ethanol Content 70%)

Inactive ingredient:

- Purified Water

MAL Number

MAL19096032XC

Manufacturer
