## What WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN is used for

providing relief of wet, productive cough.

## How WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN works

It helps loosen phlegm and thins bronchial secretions to rid bronchial passageways of bothersome mucus and makes cough more productive.

## Before you use WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN

### - When you must not use it

There are no known contraindications except in cases where individuals show hypersensitivity to ingredients contained in the formulation.

### - Before you start to use it

Do not take if you are allergic to guaifenesin or any ingredients contained in this drug.

### - Taking other medicines

Guaifenesin has no known serious interactions with other drugs. Therefore, before using this product, tell your doctor or pharmacist of all the products you use.

## How to use WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN

### - How much to use

Children 2 – 6 years : 5 ml (1 teaspoon)

Children 6 – 12 years : 10 ml (2 teaspoons)

Vary dosage according to age. Repeat every 4 hours or as prescribed by your doctor.

### - When to use it

Use this medicine exactly as directed on the label, or as prescribed by your doctor.

### - How long to use it

If your cough has not improved after 7 days or if you have a fever, skin rash, continuing headache, or sore throat with the cough, check with your doctor. These signs may mean that you have other medical problems.

### - If you forget to use it

Take the missed dose as soon as you remember it. However, if it is almost time for the next dose, skip the missed dose and continue your regular dosing schedule. Do not take a double dose to make up for a missed one.

### - If you use too much (overdose)

For overdose, treatment is symptomatic and supportive.

## While you are using WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN

### - Things you must do

Talk to your pharmacist or doctor if your symptoms do not improve.

### - Things you must not do

Do not give WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN to

anyone else, even if they have the same symptoms or condition as you.

Do not take WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN to treat any other complaints unless your pharmacist or doctor tells you to.

Do not take WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN more than the recommended dose unless your doctor tells you to.

### - Things to be careful of

#### *Driving and using machines*

Be careful driving or operating machinery until you know how WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN affects you.

## Side effects

There are no known side effects with normal use

Visit your doctor or pharmacist immediately if you experience any side effects after using this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website [npra.gov.my](http://npra.gov.my) [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

## Storage and Disposal of WOODS' PEPPERMINT COUGH SYRUP FOR CHILDREN

### - Storage:

Store below 30 °C. Avoid from direct sunlight. Keep container tightly closed. Keep out of reach of children.

### - Disposal:

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
