What Qurvion C Tablet is used for

It is used as a health supplement.

How Qurvion C Tablet works

Qurvion C Tablet is essential for the formation of collagen and protein, and hence for the development of cartilage, bone, and teeth, and for the healing of wounds.

Before you take Qurvion C Tablet

-When you must not use it:

Do not take Qurvion C Tablet if allergic to vitamin C or any ingredients in the tablets.

- Before you start to use it:

Inform the doctor or pharmacist if you have kidney problems, especially history of kidney stones, or you are undergoing haemodialysis.

-Taking other medicines:

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to take Qurvion C Tablet

- How to take it

Adults: 200mg to 500 mg a day

-When to take it :

To be taken as prescribed by physician after meals.

-How long to take it :

Continue taking Qurvion C Tablet as long as your doctor recommended.

-If you forget to take it :

Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

-If you take too much (overdose) :

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine.

While you are taking Qurvion C Tablet

-Things you must do :

- Ask your doctor or pharmacist for advice before taking Qurvion C if you are pregnant.

-Things you must not do :

- Do not take more than the recommended dose unless your pharmacist or doctor tells you.

- Things to be careful of :

Large doses are not recommended without doctor's advice. Large doses can cause diarrhea, flushing or skin redness, headache, and increase in urination, nausea, vomiting and stomach cramps.

Side Effects

Generally, Qurvion C Tablet is well tolerated. However, visit your doctor or pharmacist immediately if you experience any side effects after taking this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npa.gov.my [Consumers→ Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and Disposal of Qurvion C Tablet

-Storage

Store below 30°C in a dry place, protected from direct sunlight.

Keep out of reach of children.

-Disposal

Medicines should not be disposed of via waste water or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
