Specification: 300 gsm Folding Box Board (CFB)-HTC Cyber XL, with aqua varnish. Lock bottom		Market: Malaysia with (30°C Storage)
Reason: New artwork developed to register product under site variation from Baddi-II		

Guidelines to printer for processing & printing :

1. 5 colour printing job with PANTONE scheme.
2. 5 PANTONE colours : Pantone 361 C ■ Pantone 366 C ■ Pantone Orange 021 C ■ Pantone Process Black C ■ Pantone 877 C SILVER ■
3. Shade that need to appear from the 5 colours to be used for printing : 80% Process Black C
4. The printer can ask for printed sample as a colour reference for better reproduction of colour scheme. For doubts, regarding fonts/design/colour scheme or any other discrepancy observed regarding the artwork file, do contact Packaging Development Department.
5. Pantone Orange 021 C should appear as it is on the shade card with varnish. i.e. the light, standard and dark shades of orange should be perceptible as Pantone Orange 021 C to human eye
