Grid

Not to Print

Grid guidelines and measurements do not print during output

This is for artwork approval only. Our spot color is just for reference. Where master printed color standards have been issued there must be matching, otherwise all CMYK images and Pantones must be within a tolerance of 3dE to this approved proof, do not match to Pantone swatch book. Color adjustment is required during printing for a more accurate color effect.

COMMENT BOX

Revision History:

Version:1
27.12.2019
- New Repro

Version:2
10.01.2020
- Amend new size

Version:3
03.02.2020
- Amend Text, Layout
- Changed Pantone
