

Each 5 mL (After reconstitution) contains:
Amoxicillin USP equivalent to anhydrous Amoxicillin 250 mg.
Sodium benzoate BP (as preservative) 3.467 mg
Prescription medicine only.
Ubat terkawal
Keep out of the reach of children.
Jauhkan ubat dari kanak-kanak
Route of administration: Oral.
Store at or below 30°C.

Directions for reconstitution:

Tap the bottle until the powder flows freely. Add approximately 2/3 of the total amount of water for reconstitution and shake vigorously to suspend powder. Add remainder of the water upto the mark on the bottle and again shake vigorously.

Once reconstituted, store at or below 30°C and to be used within 14 days. Keep the container tightly closed.

Shake the suspension well before use.

Indications, Dosage & Contraindications: Refer the pack insert (please read the accompanying instructions before use).

Z MOX 250
