What HUNDRED KOYOK CLASSIC is used for

HUNDRED KOYOK CLASSIC provides temporary relief of muscle and joint pain, stiff neck and shoulders, sprain, backache and arthritic pain.

How HUNDRED KOYOK CLASSIC works

HUNDRED KOYOK CLASSIC contains active ingredients Methyl Salicylate and Menthol. Methyl Salicylate is used to relieve pain and reduces inflammation. Menthol when applied to skin, dilates the blood vessels causing a sensation of coldness followed by an analgesic effect.

Before you use HUNDRED KOYOK CLASSIC*When you must not use it*

Do not use HUNDRED KOYOK CLASSIC if :

1. You are taking warfarin, excessive application onto the skin for muscle or joint pains may increase the chances of bleeding.
2. You have skin sensitization or contact dermatitis.
3. The application area is directly into the nostrils.

How to use HUNDRED KOYOK CLASSIC*How much to use it*

1. Clean and dry the area of application.
2. Peel Off the protective packing, apply and press the plaster directly at the desired area.
3. May apply patch several times a day (maximum 4 times a day).

When to use it

Use to provide temporary relief of muscle and joint pain, stiff neck and shoulders, sprain, backache and arthritic pain.

How long to use it

Usage should continue when there are signs of muscle and joint pain, stiff neck and shoulders, sprain, backache and arthritic pain.

Consult a doctor or pharmacist if the pain does not improve after 5 to 6 days of use

If you forget to use it

Use the product as soon as possible and continue to use as normal usage.

If you use too much (Overdose)

For user taking warfarin, excessive application on the skin for muscle and joint pains may increase chances of bleeding.

If you use too much of this product, consult your doctor or pharmacist.

While you are using HUNDRED KOYOK CLASSIC*Things you must do*

Keep the applied area from getting wet.

Storage and Disposal of HUNDRED KOYOK CLASSIC*Storage*

Store in areas below 30°C
Protect from heat and moisture
