

MAL

APPETON ESSENTIAL OMEGA-3

Omega-3 polyunsaturated fatty acids are vital structural components in the cell membranes, brain and nervous tissues. Fish oil is one of the world's best known sources of omega-3 polyunsaturated fatty acids, EPA and DHA. Appeton Essential Omega-3 provides fish oil in licaps® and is a convenient way to supplement your daily intake of omega-3 polyunsaturated fatty acids.

COMPOSITION:

Each licaps® contains:

Fish oil	500mg
contains omega-3	250mg as
- Eicosapentaenoic Acid (EPA)	150mg
- Docosahexaenoic Acid (DHA)	100mg

PRESENTATION:

Natural transparent size "0" hard gelatin licaps® with yellow filled.

INDICATION:

As a dietary supplement.

DIRECTIONS FOR USE:

To be taken with or after meal

Adult: 1-2 licaps® daily or as directed by health care professional

SIDE EFFECT:

None known.

CONTRAINDICATION:

None known.

PRECAUTION:

High doses of omega-3 triglycerides may, though rarely, cause nausea and eructation.

DRUG INTERACTION:

Because of the possible anti-thrombotic effect of fish oil supplement (Omega-3), it should be given with caution to patients with haemorrhagic disorders or those receiving anticoagulants or other drugs affecting coagulation.

STORAGE:

Store below 30°C. Protect from light.

KEEP OUT OF REACH OF CHILDREN

JAUHI DARI KANAK-KANAK
