

**MINOR VARIATION NOTIFICATION FORM FOR FULL EVALUATION PRODUCTS**

*Please read the following instructions before filling in the form.*

- 1) This notification form is for Product Registration Holder (PRH) to notify National Pharmaceutical Control Bureau (NPCB) on the implementation of MiV-Notification (MiV-N) as per Malaysian Variation Guideline (MVG). The timeline for NPCB to acknowledge the variation notification is within 20 working days following receipt of a notification.
- 2) Please refer to the MVG for the conditions and supporting documents required.
- 3) Submission of relevant revised draft of package insert and labeling is subject to current regulatory requirements as per the latest Drug Registration Guidance Document (DRGD) and Circulars from NPCB. In the event that the revised draft of package insert and labeling does not meet the current regulatory requirements, please submit under Minor Variation Prior Approval (MiV-PA) or Major Variation (MaV).
- 4) PRH **must** submit this notification form together with the online submission through the Quest 2 system as the approval will only be notified via online submission. For submission online, please scan this form and attach together with the revised draft of package insert and labeling as a single file.
- 5) A MiV-N application **may be rejected** in specific circumstances with the consequence that the PRH must cease to apply the already implemented variation.
- 6) The completed form must be submitted to :  
**Seksyen Variasi, Pusat Pasca Pendaftaran Produk, Biro Pengawasan Farmaseutikal Kebangsaan, Kementerian Kesihatan Malaysia, Lot 36, Jalan Universiti, 46200 Petaling Jaya, Selangor. (Fax No: 03-79567151)**
