Material Number Component Description: REG-5834-02 LBL AlbuRx 25% 50ml UNE Asia			
Artwork Author: Bruno Bühler			
Specification Number: n/a			
Additional comments: TD-8143-01-LBL_50ml_2 peel-offs_booklet 142 x 30 (Variant 1)			
Colours:			
Pantone 354	Pantone 383	Black	
Technical Colours (indication only – not to be printed):			
Variable Data	Die Cut		
CSL Behring Biotherapies for Life™			

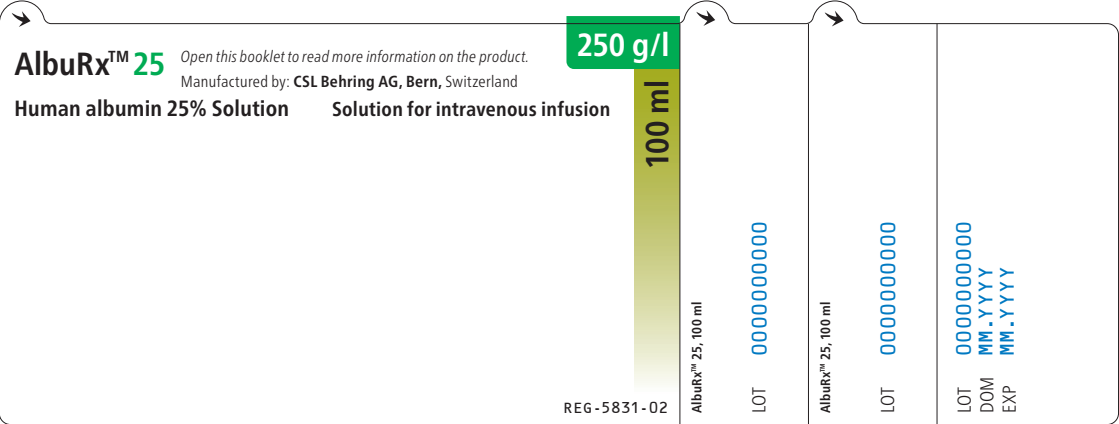

The hyperoncotic pasteurized solution contains 250 g/l human plasma protein, of which $\geq 95\%$ is human albumin, 20 mmol/l sodium N-acetyltryptophanate, 20 mmol/l sodium caprylate, sodium chloride q.s. to a sodium content of 140 mmol/l and water for injections q.s. to 1 l. Aluminium content $\leq 200 \mu\text{g/l}$.

Read package insert carefully before use. Do not store above 30 °C. Do not freeze. Keep the vial in the outer carton in order to protect from light. Keep out of the reach of children. Do not use solutions which are cloudy or have deposits. Use immediately after the vial has been opened. Discard any unused product.
