What FUCON[®] FILM COATED TABLET is used for

FUCON[®] FILM COATED TABLET is used to relieve cramps in the muscles of your:

- Stomach
- Gut (intestine)
- Bladder and the tubes that lead to the outside of your body (urinary system)
- Period cramp

How FUCON[®] FILM COATED TABLET works

FUCON[®] FILM COATED TABLET contains a medicine called “Hyoscine-N-butyl bromide”. This belongs to a group of medicines called “antispasmodics”. Hyoscine works by relaxing the muscle found in the walls of the stomach, and bowel. This type of muscle is called smooth muscle or involuntary muscle.

It normally contracts and relaxes without our conscious control and we are not normally aware of it. However, if the muscles go into spasm, this can cause pain.

Hyoscine stops the spasms in the smooth muscle, allowing it to relax. This reduces the painful spasms and cramps.

Before you use FUCON[®] FILM COATED TABLET

- When you must not use it

Do not use FUCON[®] FILM COATED TABLET if you have allergy towards Hyoscine-N-butylbromide or any components in this tablet preparation.

Do not use this medicine after the expiry date or if the packaging is torn.

- Before you start to use it

Tell your doctor or pharmacist if you are allergic to Hyoscine-N-butylbromide or any components of this preparation.

- Taking other medicines

Seek advice from your doctor or pharmacist if you intend to use FUCON[®] FILM COATED TABLET together with other medication.

Besides that, you must also inform your doctor or pharmacist about all the medicines you are taking, including those without a prescription.

How to use FUCON[®] FILM COATED TABLET

- How much to use

1 – 2 tablets three to four times daily.

- When to use it

Take FUCON[®] FILM COATED TABLET at about the same time each day, unless your doctor tells you otherwise.

- How long to use it

FUCON[®] FILM COATED TABLET should not be taken continuously for long periods of time.

- If you forget to take it

If you forget a dose, take it as soon as you remember. However, if it is time for the next dose, skip the missed dose. Do not take a double dose to make up for a forgotten dose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital if you think you or anyone else may have taken too much of this medicine.

While you are using it

- Things you must do

Follow your doctor’s instructions when you are taking FUCON[®] FILM COATED TABLET.

- Things you must not do

FUCON[®] FILM COATED TABLET should not be taken on a continuous daily basis or for extended periods without investigating the cause of abdominal pain.

- Things to be careful of

Some people may experience drowsiness while taking this medicine. If this happens to you, do not drive or use any tools or machines.

Product description

- *What it looks like*

A white color film coated round tablet; one side impressed with a score.

- *Ingredients*

Active Ingredient:
Hyoscine-N-butylbromide

Inactive Ingredients:
Dimethylpolysiloxane
Talc
Magnesium Stearate
Polyethylene Glycol
Purified Water
Carboxymethylcellulose Calcium
Aluminium Silicate
Microcrystalline Cellulose
Hydroxypropyl Methylcellulose
Lactose

- *MAL number:*

MAL19940034AZ

Manufacturer and Product Registration Holder

Y.S.P. Industries (M) Sdn. Bhd.
Lot 3, 5 & 7, Jalan P/7, Section 13,
Kawasan Perindustrian Bandar Baru
Bangi, 43000 Kajang, Selangor D.E.,
Malaysia.
