What YSP ECONAZOLE NITRATE PESSARY 150MG is used for
YSP ECONAZOLE NITRATE PESSARY 150MG is indicated for vaginitis due to infections by fungi and yeasts.

How YSP ECONAZOLE NITRATE PESSARY 150MG works
YSP ECONAZOLE NITRATE PESSARY 150MG is spindle shaped pessary that release econazole nitrate when inserted into the vagina. Econazole nitrate is an antifungal agent that works by preventing the growth of fungus.

Before you use YSP ECONAZOLE NITRATE PESSARY 150MG
- When you must not use it
If you are allergic towards econazole nitrate or any other ingredients listed in this product.

- Before you start to use it
Tell your doctor or pharmacist if you are allergic to any other medicines or you have any other health-related problems.

- Taking other medicines
Seek for your doctor or pharmacist advice if you intend to use YSP ECONAZOLE NITRATE PESSARY 150MG together with other medication. You must also inform them about all the medicines you are taking, including those without a prescription.

How to use YSP ECONAZOLE NITRATE PESSARY 150MG

- How much to use

With the patient in the supine position, insert 1 pessary high into the vagina.

- When to use it

The pessary should be inserted at bedtime.

- How long to use it

Use for 3 consecutive days.

- If you forgot to use it

If you miss a dose of YSP ECONAZOLE NITRATE PESSARY 150MG, take it as soon as possible. If it is approaching time for the next dose, skip the missed dose and go back to your regular dosing schedule. Do not double doses.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

While you are using YSP ECONAZOLE NITRATE PESSARY 150MG

- Things you must do

Follow your doctor's instruction when you are taking YSP ECONAZOLE NITRATE PESSARY 150MG.

- Things you must not do

Do not stop taking this medicine or change the dosing regimen without instruction from your doctor. Do not give YSP ECONAZOLE NITRATE PESSARY 150MG to anyone else, even if they have the same condition as you.

- Things to be careful of

During the vaginal treatment period, it may be advisable to instruct the patient to abstain from intercourse or, alternatively, to recommend the use of a condom.

Side effects

Econazole nitrate is usually well tolerated. Adverse effects are limited to occasional local skin irritations manifested by erythema, pruritus, and

burning or stinging sensation; cessation of therapy is rarely warranted.

Visit your doctor or pharmacist immediately if you experience any side effects after using this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and Disposal of YSP ECONAZOLE NITRATE PESSARY 150MG

- Storage

Store below 25°C, protect from light & moisture.

- Disposal

YSP ECONAZOLE NITRATE PESSARY 150MG should be disposed when your doctor or pharmacist tells you to stop taking this medicine or it has passed the expiry date. Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
