### 1.What E-zyme B6 Soothing Liquid is used for

E-zyme B6 Soothing Liquid used as soothing preparation for relief of sore throat. It is a sugar free syrup.

### 2.How E-zyme B6 Soothing Liquid works

Lysozyme extracted from egg-white is used for the intensification of natural defense mechanisms, restoration of damaged tissue and anti-inflammation. Pyridoxine hydrochloride (Vit B6) helps to improve immune response to the increase in production of antibodies and also helps in communicative interactions between cytokines and chemokines.

### 3.Before you use E-zyme B6 Soothing Liquid
