What REXOMTM Wina B Complex is used for

For the prevention and treatment of vitamin B-complex deficiency.

How REXOMTM Wina B Complex works

REXOMTM Wina B Complex contains 6 types of Vitamin B which are Thiamine Hydrochloride (Vitamin B1), Riboflavin Sodium Phosphate (Vitamin B2), Nicotinamide (Vitamin B3), Calcium Pantothenate (Vitamin B5), Pyridoxine Hydrochloride (Vitamin B6) and Cyanocobalamin (Vitamin B12). These are the vitamin B which will replenish the deficiency in the body.

Before you use REXOMTM Wina B Complex

-When you must not use it

It should not be used in people known to be hypersensitive to any of the components of the formulation.

-Before you start to use it

Pregnancy and lactation

Talk to your doctor before taking this medicine if you are pregnant, might become pregnant or are breastfeeding.

REXOMTM Wina B Complex is considered safe in recommended dose.

-Taking other medicines

Inform your doctor or pharmacist before taking this medicines, including any that

you get without a prescription from your pharmacy, supermarket or health food shop.

Some medicines and REXOMTM Wina B Complex may interfere with each other. They may be affected by REXOMTM Wina B Complex or may affect how well it works.

The Pyridoxine hydrochloride may reduce the effectiveness of levodopa.

How to use REXOMTM Wina B Complex

-How much to use

Always use REXOMTM Wina B Complex exactly as your doctor has prescribed. You should check with your doctor or pharmacist if in doubt.

The usual dose:

1-2 tablets daily.

-When to use it

Use as directed by your doctor or pharmacist.

-How long to use it

Continue taking REXOMTM Wina B Complex as your doctor recommended. If symptoms persist, consult your doctor.

-If you forget to use it

Consult your doctor or pharmacist on what you should do if you forget to use it.

Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

-If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Excess vitamin B is readily excreted, therefore no serious problems are

anticipated for the administration of vitamin B in this form.

While you are using REXOMTM Wina B Complex

-Things you must do

- Tell all the doctors, dentists and pharmacists treating you that you are taking REXOMTM Wina B Complex.
- Tell your doctor immediately if you become pregnant while taking this medication.

-Things you must not do

- Do not take more than the recommended dose unless your pharmacist or doctor tells you.
- Do not take any new medicines without consulting your doctor or pharmacist.
- Do not give REXOMTM Wina B Complex to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of

None known effects on driving or operating machinery.

Side effects

Toxic effects are unlikely since any excess vitamin B is excreted.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by calling Tel: 03-78835490, or visiting the website npra.moh.gov.my

[Public → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and disposal of REXOMTM Wina B Complex

-Storage

Store below 30°C. Protect from heat and light. Keep medicine out of reach of children.

-Disposal

Medicines should not be disposed of via waste water or household waste. Ask your pharmacist how to dispose of

REXOM™ WINA B COMPLEX TABLET

Thiamine Hydrochloride (Vitamin B1)/Riboflavin Sodium Phosphate (Vitamin B2)/Nicotinamide (Vitamin B3)/Calcium Pantothenate (Vitamin B5)/Pyridoxine Hydrochloride (Vitamin B6)/Cyanocobalamin (Vitamin B12)
(10mg/3mg/25mg/1mg/1mg/5mcg)

medicines no longer required. These measures will help to protect the environment.

Product description

-What it looks like

Yellow, round, biconvex and top scored

-Ingredients

-Active ingredient

Thiamine Hydrochloride (Vitamin B1),
Riboflavin Sodium Phosphate (Vitamin B2),
Nicotinamide (Vitamin B3),
Calcium Pantothenate (Vitamin B5),
Pyridoxine Hydrochloride (Vitamin B6),
Cyanocobalamin (Vitamin B12).

-Inactive ingredients

Lactose Monohydrate, Magnesium stearate,
Corn starch, Pregelatinized Starch,
Kollidon PVP and Spirit chloroform.

-MAL number

MAL19911365X

Manufacturer and Product

Registration Holder

KCK Pharmaceutical Industries Sdn.
Bhd.
Plot 61, Bayan Lepas Industrial Park
Phase 4, Lintang Bayan Lepas 1,
11900 Bayan Lepas,
Pulau Pinang, Malaysia.
