What REXOM_{TM} Wina Antiseptic is used for

It is indicated as antiseptic for minor burns, cuts, wounds, sores and rashes. Also used as general disinfectant, household disinfectant and personal hygiene.

How REXOM_{TM} Wina Antiseptic works

REXOM_{TM} Wina Antiseptic contains two antiseptics that help eliminate bacteria and prevent infection.

Before you use REXOM_{TM} Wina Antiseptic

-When you must not use it

It should not be used if you had known to be hypersensitive to chlorhexidine gluconate and cetrimide or other components of the formulation.

-Before you start to use it

Hypersensitivity to chlorhexidine gluconate and cetrimide may occur after prolonged and repeated applications.

Pregnancy and lactation

Talk to your doctor before taking this medicine if you are pregnant, might become pregnant or are breastfeeding.

-Taking other medicines

Inform your doctor or pharmacist before taking this medicines, including any that you get without a prescription from your pharmacy, supermarket or health food shop.

How to use REXOM_{TM} Wina Antiseptic

-How much to use

Always use REXOM_{TM} Wina Antiseptic as recommended.

The usual dose:

Personal hygiene, wounds & burns: dilute 1 capful (10 ml) in 125 ml of water

House disinfectant: dilute 1 capful (10 ml) in 250 ml of water.

While you are using REXOM_{TM} Wina Antiseptic

-Things you must do

Tell all the doctors, dentists and pharmacists treating you that you are taking REXOM_{TM} Wina Antiseptic

- Things you must not do

- Do not take any new medicines without consulting your doctor or pharmacist.
- Do not give REXOM_{TM} Wina Antiseptic to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of

Rexom Wina Antiseptic Liquid contains chlorhexidine. Inform your healthcare provider if you have a known allergy to chlorhexidine.

Stop using this product and seek immediate medical assistance if you experience rash, itching, swelling, breathing difficulties, light-headedness or rapid heartbeat.

Avoid contact with eyes and ears. If any irritation occurs, discontinue use.

Treat accidental splashes by washing open eyes with water for at least ten minutes, seek medical advice.

If swallowed, wash out of mouth and drink plenty of milk or water; seek medical advice and show the container to the doctor.

Side effects

Like all medicines, REXOM_{TM} Wina Antiseptic can cause side effects, although not everybody gets them.

Possible side effects as below:

- Immune system disorders: Hypersensitivity including severe allergic reaction.
- Chemical burns in neonates.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and disposal of REXOM_{TM} Wina Antiseptic

-Storage

Store below 30°C. Keep container tightly closed. Protect from light. Keep medicine out of reach of children.

-Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
