**Subject:** Re: Declaration "Alcohol Free" and "Sugar Free" Statement on the Label

Salam Sejahtera.

Tuan/Puan,

Kenyataan **“Alcohol Free”** atau **“Sugar Free”** pada label produk generik boleh dipertimbangkan untuk dibenarkan dengan syarat pihak tuan/puan dapat mengemukakan data sokongan untuk membuktikan produk adalah bebas daripada sebarang elemen alkohol atau gula (*sugar*). Justifikasi untuk meletakkan kenyataan tersebut pada label produk juga perlu dikemukakan.

Sekian, terima kasih.

Falisa

Dear Officer,

Good day to you.

### **Declaration “Alcohol Free” and “Sugar Free” Statement on the Label**

The purpose of this email is to know whether the declaration of **“ALCOHOL FREE”** and **“SUGAR FREE”** statement is allowable on the label. We have non-scheduled and scheduled poison products which have no

alcohol and no sugar contents in the formulation. Therefore we would like to claim “*ALCOHOL FREE*” and “*SUGAR FREE*” statement on the label so that is more convenient for consumers especially Muslims and diabetic patients. In addition to this, we also found OTC and scheduled poison product in the market which is registered under NPRA with the “*ALCOHOL FREE*” statement.

Kindly advice and thank you for your attention on our queries.

Looking forward to your reply.

Thank you

Best Regards,

Menagah
