9. Manufactured by and Product Registration Holder
10. Date of revision

## What GermoSept is used for

For hygienic and antiseptic purpose when soap and water are not available.

## How GermoSept works

GermoSept contains Isopropyl Alcohol as its active ingredient. It is a broad spectrum antiseptic.

## Before you use GermoSept

### -When you must not use it

Do not use GermoSept if you are allergic to any of the ingredients listed in this leaflet.

### -Pregnancy and breastfeeding

No special precautions required.

### -Taking other medicines

Inform your doctor or pharmacist before taking GermoSept.

## How to use Septol Antiseptic

### -How much to use

Always use GermoSept exactly as your doctor has prescribed. You should check with your doctor or pharmacist if in doubt.

### The usual dose:

Place enough product on hands to cover all surfaces. Rub hands together until dry.

### -When to use it

Use as directed by your doctor or pharmacist.

### -How long to use it

Use as directed by your doctor or pharmacist.

### -If you forget to use it

Consult your doctor or pharmacist on what you should do if you forget to use it.

### -If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

## While you are using GermoSept

### Things you must do

- Inform your doctor or pharmacist if symptoms persist after using GermoSept.
- Tell all the doctors, dentists and pharmacists treating you that you are using GermoSept.

### - Things you must not do

Do not use more than the recommended dose unless your pharmacist or doctor tell you.

### -Things to be careful of

- For external use only. Flammable. Keep away from heat or flame.
- Supervise children under 6 years of age when using this product to avoid swallowing.
- Do not use in children less than 2 months of age.
- Do not use on open skin wounds.
- When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.
- Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.
- Keep out of reach of children. If swallowed, get medical help right away.

## Side effects

If you have any side effect after using this product, talk to your pharmacist or doctor.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug

Reaction Monitoring by visiting the website [npra.gov.my](http://npra.gov.my) [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

## Storage and disposal of GermoSept

### Storage

Store below 30°C. Keep container tightly closed.

Keep medicine out of reach of children.

### -Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
