What Ho Yan Hor Medicated Oil is used for

For symptomatic relief of minor aches and pains of muscles and joints.

How Ho Yan Hor Medicated Oil works

Ho Yan Hor Medicated Oil has mild soothing and pain relief effects. When massaged gently on the skin, it produces cooling effects followed by a sensation of warmth.

Before you use Ho Yan Hor Medicated Oil

- When you must not use it

Do not use this medicine if:

- you are allergic to any ingredients of the medicine (listed in Product Description).

This product can cause convulsion. Do not give this medicine to children below 2 years old.

- Before you start to use it

It may cause allergic reaction in some individuals with sensitive skin. Before you start using it, test on small area first.

Pregnant and lactation

Consult your doctor or pharmacists if you are pregnant, trying to get pregnant or think you may be pregnant or if you are breast-feeding. Ask your doctor or pharmacists for advice before using any medicine.

- Taking other medicines

Tell your doctor or pharmacist if you are taking warfarin (blood-thinning medicine), as excessive application of Ho Yan Hor Medicated Oil on the skin may increase the chances of bleeding.

Tell your doctor if you are taking any other medicines, including any that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use Ho Yan Hor Medicated Oil

- How much to use

Apply to the painful area.

- When to use it

As needed or as directed by your doctor or pharmacist.

- How long to use it

Use Ho Yan Hor Medicated Oil for short term when necessary only.

- If you forget to use it

Apply the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to apply the medicine and skip the missed dose. Do not apply a double dose to make up for the missed dose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital if you or anyone else may have used too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Using too much of this medicine may cause rapid breathing, abnormal increase in body temperature, gastric pain, nausea, vomiting, spinning sensation, confusion, muscle contraction, too much fluid in the lungs, kidney and liver failure and convulsions.

While you are using Ho Yan Hor Medicated Oil

- Things you must do

Use your medicine exactly as your doctor has told you.

Tell all the doctors, dentists and pharmacists treating you that you are using Ho Yan Hor Medicated Oil.

Tell your doctor immediately if you become pregnant while using this medication.

- Things you must not do

Do not apply to wounds or damaged skin.

Avoid direct application into nostrils. It is dangerous to place any camphor-containing product into the nostril of older children. A small amount applied this way may cause immediate collapse.

Do not use any new medicines without consulting your doctor or pharmacist.

Do not give Ho Yan Hor Medicated Oil to anyone else, even if they have the same symptoms or condition as you.

- Things to be careful of

For external use only. Avoid contact with eyes.

Use with caution when older children are treated with this medicine.

Side effects

Like all medicines, Ho Yan Hor Medicated Oil can cause side effects, although not everybody gets them.

Visit your doctor or pharmacist immediately if you experience any side effects after using this medicine.

It may cause allergic reaction, hives or swelling of the skin.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and Disposal of Ho Yan Hor Medicated Oil

- Storage

Keep out of reach of children.
Store below 30°C.
