Taking out a tablet
These tablets come in special packaging to prevent children removing them.
Each blister unit has a number. Take each tablet in order starting at tablet number 1.
1. Separate one tablet: tear along the cutting lines to separate one "pocket".
2. Peel back the outer layer: starting at the corner, lift and peel over the pocket.
3. Push out the tablet: gently push one end of the tablet through the foil layer, from the blister.
