What *Minyak Tapil Cap Wanita* is used for?

Minyak Tapil Cap Wanita is used as massage oil for relieving muscular and joint pains, backache, waist ache, sprains and strains and muscle stiffness.

How *Minyak Tapil Cap Wanita* works?

Minyak Tapil Cap Wanita contains counterirritants: methyl salicylate 56% v/v, menthol 5% w/v, camphor 10% w/v w/v which are formulated as medicated oil for external use to relieve pain on your body.

Before you use *Minyak Tapil Cap Wanita*:

- When you must not use it?
 - a) If you are having history of hypersensitivity to aspirin, salicylates, menthol or camphor.
 - b) If you are thinking to apply this product to children below 2 years old.
- Before you start to use it.

Please consult your doctor/ pharmacist prior to using this product if you are pregnant, breastfeeding or having other concomitant skin problem.

- Taking other medicines.

When *Minyak Tapil Cap Wanita* is used while you are on warfarin, excessive application may increase tendency of bleeding.

How to use *Minyak Tapil Cap Wanita*:

- How much to use

Apply and massage the oil gently until absorbed into the affected parts two or three times daily.

- When to use it?

Minyak Tapil Cap Wanita can be applied anytime whenever necessary. It can also be used before or after exercise.

- How long to use it?

Use only when necessary or in accordance with professional medical advice.

- If you forget to use it.

Apply the oil on the affected part when necessary or as soon as you remember.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

While you are using it:

- Things you must do.

Follow the dosing instruction. Ensure cleanliness of the affected area before and after applying the product.

- Things you must not do.

The product must not be applied around eye area, damaged skin or open wound. Do not apply to children below 2 years old. When older children are treated, do not *apply into nostrils*. This product is used externally on the skin only, not to be taken orally.

- Things to be careful of.

Initially apply a small amount to a limited skin area and observe whether there is discomfort or itch before applying to a larger skin area. Discontinue use if irritation develops.

When there is no improvement, stop the treatment and consult doctor/pharmacist.

Use of the product in children shall be under supervision of guardian.

Side effects:

Like all medicines, *Minyak Tapil Cap Wanita* can cause side effects, although not everybody gets them.

Visit your doctor or pharmacist immediately if you experience any side effects after taking this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and disposal of *Minyak Tapil Cap Wanita*

- Storage

Store below 30 °C. Keep out of reach of children.

- Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
