Attenzione: L'approvazione del capitolato etichetta comporta l'accettazione della prova grafica, con testi e grafismi che devono essere controllati integralmente. I colori di questa prova grafica sono puramente indicativi.

Please note that the nebuliser suspension is contained in unit dose containers. 20 labelled unit dose containers divided in 4 strips of 5 containers are contained in pouches (1 strip in each aluminium pouch).

For LDPE container, a sticker will be placed on each container. The Batch number and expiry date is printed directly on the container, as you can see on the below image (black arrow).

For aluminium pouch, the text information is printed directly on the aluminium pouch (red arrow).
