What SIANGPURE INHALER is used for

Clear stuffy nose due to colds

How SIANGPURE INHALER works

SIANGPURE INHALER contains active ingredients camphor and menthol. It dilates the blood vessels causing a sensation of coldness so that breathing feels easier.

Before you use SIANGPURE INHALER

- When you must not use it

Do not use SIANGPURE INHALER if you are allergic to camphor, menthol, or any other ingredients in this product. Do not use SIANGPURE INHALER in children below 2 years of age.

- Before you start to use it

Pregnancy and lactation

Please consult your doctor or pharmacist if you are pregnancy, planning for pregnancy or breast-feeding before using any medicine.

- Taking other medicines

Please consult your doctor or pharmacist if you are taking other medicines before using this product.

How to use SIANGPURE INHALER

- How much to use

Before using the inhaler, gently blow your nose to clear the nasal passages. Open the nasal adapter/cap, close only one nostril with a finger and gently insert the tip of the nose piece into the other nostril and inhale slowly. Repeats the same on the other nostril.

- When to use it

Use whenever necessary.

- How long to use it

Use whenever necessary. Do not use if asymptomatic.

- If you forgot to use it

Use as soon as you remember.

- If you use too much (overdose)

If you use too much of this product, consult your doctor or pharmacist. You may need urgent medical attention.

While you are using it

- Things you must do

Use your medicine exactly as your doctor/pharmacist has told you. Tell your doctor or pharmacist treating you that you are currently using this product.

- Things you must not do

Do not take any new medicines without consulting your doctor or pharmacist.

- Things to be careful of

WARNING: "Caution must be exercised when older children are treated."

PRECAUTION: "It is dangerous to place any camphor containing product into the nostrils of children. A small amount applied this way may cause immediate collapse."

Side effects

Like all medicines, SIANGPURE INHALER can cause side effects, although not everybody gets them. Local irritations might develop.

Visit your doctor or pharmacist immediately if you experience any side effects after using this medicine.

You may report any side effects or adverse drug reactions directly to the National Center for Adverse Drug Reaction Monitoring by visiting the website nptra.gov.my [Consumers → Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)]

Storage and Disposal of SIANGPURE INHALER

- Storage

Store at below 30°C.

Keep out of reach of children.

- Disposal

Medicines should not be disposed off via wastewater or household waste. Ask your pharmacist how to dispose off medicines which are no longer required. These measures will help to protect the environment.
