What MUCERA SYRUP is used for

MUCERA SYRUP is used for conditions where there are a lot of thick mucus in the airway passages.

How MUCERA SYRUP works

MUCERA SYRUP contains ambroxol hydrochloride which helps to make the mucus thinner and get rid of mucus easier.

Before you use MUCERA SYRUP

- When you must not use it

Do not take MUCERA SYRUP if you or your child are allergic to Ambroxol or any other ingredients of this medicine (listed in Product Description)

- Before you start use it

Tell your doctor if you or your child have/are:

- Kidney failure.
- Inability to digest fructose sugar
- Pregnant, planning for pregnancy or breast-feeding. Use of MUCERA SYRUP in the first three months of pregnancy and nursing mother is not recommended.

- Taking other medicines

Tell the doctor or pharmacist if you are taking any other medicines including any medicine that you buy without prescription from a pharmacy, supermarket or health food shop.

Medications that may interfere with MUCERA SYRUP such as antibiotics (Amoxycillin, Cefuroxime, Erythromycin, Doxycycline).

How to use MUCERA SYRUP

- How much to use

Children up to 2 years: 2.5 ml to be taken 2 times daily

Children 2 – 5 years: 2.5 ml to be taken 2 – 3 times daily

Children 5 – 12 years: 5 ml to be taken 2 – 3 times daily

To be taken after food.

- When to use it

Take 2 – 3 times daily or as directed by your doctor or pharmacist.

- How long to use it

Use MUCERA SYRUP for the duration your doctor recommends.

MUCERA SYRUP is not recommended for long periods of treatment without medical supervision.

- If you forget to use it

Take the missed dose as soon as you remember. If it is almost time for the next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for a missed dose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have use too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need immediate medical attention.

While you are using it

- Things you must do

Tell all doctors, dentists and pharmacists treating you that you are using MUCERA SYRUP.

- Things you must not do

Do not use any new medicine without consulting your doctor or pharmacist.

Do not give MUCERA SYRUP to anyone else, even if they have the same symptoms or condition as you.

- Things to be careful of

This medicine may affect your ability to drive or use machine. If MUCERA SYRUP make you feel sick, do not drive or use machines and contact your doctor immediately.

Side effects

Like all medicines, MUCERA SYRUP can cause side effects, although not everybody gets them.

Occasional, mild side effects include:

- Nausea
- Diarrhea
- Indigestion or bloated feeling
- Vomiting
- Abdominal pain
- Heartburn
- Changed taste
- Throat numbness
- Dry throat
- Dry mouth

MUCERA SYRUP may cause severe allergy and serious skin reactions. Stop using MUCERA SYRUP and seek medical assistance immediately if you experience any of the following symptoms:

1. Severe allergy: breathing difficulties, light headedness, skin swelling or rash.
2. Severe skin reaction: skin reddening, blisters, rash, fever, sore throat or eye irritation.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npa.gov.my [Consumers→ Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and Disposal of MUCERA SYRUP

- Storage

Store below 30°C. Protect from light.

Keep away from children.

MUCERA SYRUP
