What Medicinal Powder is used for

It is used for relief of headache, fever, toothache and minor pain.

How Medicinal Powder works

It contains aspirin which has analgesic and antipuretic as well as anti-inflammatory effects.

Before you use Medicinal Powder

- When you must not use it

Do not use it if you are allergic to aspirin or others ingredients of Medicinal Powder.

- Before you start to use it

Not to be given to children under 16 years of age.

Inform your pharmacist or doctor if you are pregnant, planning to become pregnant or may be pregnant or breastfeeding.

Consult your doctor or pharmacist before taking any medicine.

- Taking other medicines

Tell your doctor or pharmacist about all other medicines that you are taking.

How to use Medicinal Powder

- How much to use

Adult: 1 sachets every 4 hours. Maximum 6 sachets per day. To be taken after meal. Dissolve this powder in a glass of water before taking.

Follow all directions given to you by your doctor and pharmacist carefully.

They may differ from the information contained in this leaflet.

- When to use it

Please follow the advice of the doctor or pharmacist.

- How long to use it

Please check with your doctor or pharmacist.

- If you use too much (overdose)

If you have used too much Medicinal Powder, contact your doctor, an emergency department or a poisoning center immediately.

Taking too much of this medicine might cause dizziness, tinnitus, deafness, sweating, nausea and vomiting, headache and mental confusion.

While you are using Medicinal Powder

- Things you must do

Inform your doctor or pharmacist of all the medications you are taking.

- Things you must not do

Do not take any new medicines without consulting your doctor.

Do not give Medicinal Powder to anyone else, even if they have the same symptoms or condition as you.

Side effects

Nausea, dyspepsia and vomiting. Irritation of the gastric mucosa and ulceration may occur. Aspirin increase the bleeding time and decrease platelet adhesiveness.

Visit your doctor or pharmacist immediately if you experience any side effects after taking this medicine.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers -> Reporting Side Effects to Medicines (ConSERF) or Vaccines (AEFI)].

Storage and Disposal of Medicinal Powder

- Storage

Store below 30°C. Protect from light and moisture. Keep out of reach of children.

- Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
