

Declaration Letter for Packaging Code of GOFEN LIQUIZ

To whomsoever it may concern,

We, Mega Lifesciences Public Company Limited, manufacturer of **GOFEN LIQUIZ** (Ibuprofen 100 mg/ 5 mL Oral Suspension), have applied for registration of above product with NPRA, Malaysia.

We wish to inform NPRA that RL-1604-H14-J7-02 is packaging code for label of GOFEN LIQUIZ and RI-1604-H14-00-01 is packaging code for Package Insert of GOFEN LIQUIZ. The packaging code was specified on the packaging to identify status of packaging, type of packaging, product, country, and revision of packaging. Hence, it can be internally checked and tracked back to ensure that correct packaging materials were used with the product.

Based on above, we request NPRA to kindly consider our application for further evaluation.

Yours Faithfully,

For, MEGA LIFESCIENCES Public Company Limited
