Apakah kegunaan *Tiger Balm Plus Ointment*

Untuk melegakan sakit-sakit otot dan sendi yang berkaitan dengan sakit belakang, sakit radang sendi, sakit reumatis, sakit ‘sciatica’ dan sakit salah urat.

Bagaimana *Tiger Balm Plus Ointment* berfungsi

Mempunyai kesan “rubefacient”, “analgesic” dan “anaesthetic”. Apabila urut perlahan-lahan pada kulit, kesan sejuk dirasai pada mulanya diikuti dengan rasa hangat yang boleh bertahan selama tempoh beberapa jam.

Sebelum menggunakan *Tiger Balm Plus Ointment*

- Bila tidak boleh menggunakannya
Individu yang diketahui atau disyaki tidak toleransi terhadap mana-mana bahan ubat itu.

- Sebelum mula menggunakannya
Ia boleh menyebabkan tindak balas

alergi kepada individu yang berkulit sensitif. Sebelum menggunakan, cuba pada permukaan kulit yang lebih kecil terlebih dahulu.

- Jika mengambil ubat-ubat lain

Untuk individu yang mengambil warfarin (ubat cair darah), gunakan atas nasihat doktor untuk mengelakkan penggunaan berlebihan kepada kulit yang boleh menyebabkan pendarahan. Dapatkan nasihat doktor sebelum menggunakan.

Cara menggunakan *Tiger Balm Plus Ointment*

- Berapa banyak harus digunakan
Gunakan hanya secukupnya dan sapu pada bahagian yang terjejas.

- Bila perlu digunakan

Gunakan apabila mengalami sakit otot dan sendi yang berkaitan dengan sakit belakang, sakit radang sendi, sakit reumatis, sakit ‘sciatica’ dan sakit salah urat.

- Berapa lama perlu digunakan

Disyorkan untuk menggunakan 2 hingga 3 kali sehari.

- Jika terlupa menggunakan

Runding dengan doktor mengenai apa yang harus anda lakukan jika terlupa menggunakan. Anda mungkin akan terus mengalami simptom kesakitan.

- Jika mengambil berlebihan (terlebih dos)

Jika anda fikir anda atau seseorang yang terlebih menggunakan ubat ini secara berlebihan atau tertelan secara tidak sengaja, berunding dengan doktor secepat mungkin atau pergi ke Jabatan Kecemasan di hospital berdekatan. Lakukan sedemikian walaupun tiada tanda

ketidakselesaan atau keracunan. Anda mungkin memerlukan rawatan lanjut.

Semasa menggunakan *Tiger Balm Plus Ointment*

- Perkara yang perlu dilakukan

Sapukan pada bahagian yang sakit perlahan-lahan sehingga diserap sepenuhnya.

- Perkara yang tidak boleh lakukan

- Jangan sapukan *Tiger Balm Plus Ointment* pada luka terbuka atau kulit yang gatal.
- Jangan ikat dengan ketat.
- Camphor boleh menyebabkan sawan. Jangan gunakan pada kanak-kanak bawah 2 tahun. (Contraindikasi)
- Tidak boleh digunakan semasa mengandung dan menyusu.

- Perkara yang perlu diberi perhatian

- Perhatian hendaklah diambil untuk kanak-kanak berumur 2 tahun keatas bila menggunakan.
- Elakkan sentuhan secara langsung dengan hidung, mata, mukus membran, atau bahagian badan yang lembut.
- Berhenti menggunakan jika berlaku iritasi pada kulit.
- Untuk kegunaan luaran sahaja. Jauhi dari kanak-kanak.

Kesan- kesan Sampingan

Boleh menyebabkan tindak balas alergi bagi sesetengah individu yang mempunyai kulit sensitif. Anda boleh melaporkan sebarang kesan sampingan atau kesan advers ubat kepada Pusat Pemantauan Kesan Advers Ubat Kebangsaan melalui laman web npra.gov.my [Consumers→ Reporting Side Effects to Medicines (ConSERF) OR Vaccines (AEFI)].

What is *Tiger Balm Plus Ointment* used for

For the relief of minor aches and pains of muscle and joints associated with simple backaches, arthritis pains, rheumatic pains, sciatica and sprains.

How does *Tiger Balm Plus Ointment* work

It has mild rubefacient and analgesic and local anaesthetic effects. When massaged gently on the epidermis, a cooling effect is felt followed by a sensation of warmth which may last for a period of up to several hours.

Before you use *Tiger Balm Plus Ointment*

When you must not use it

Individuals with known or suspected intolerance to any ingredients of the medicine.

Before you start to use it

It may cause allergic reaction in some individuals with sensitive skin. Before you start using it, test on small area first.

Taking other medicines

For individuals taking warfarin (anticoagulant medicine), please use under direction of doctor as to avoid excessive application on to the skin which may increase the chances of bleeding. Please consult your doctor before use.

How to use *Tiger Balm Plus Ointment*

How much to use

Use only sufficient amount on the affected area.

When to use it

Use it when you are suffering from minor aches and pains of muscle and joints associated with simple backaches, arthritis pains, rheumatic pains, sciatica and sprains.

How long or often to use it

Recommended to use 2 to 3 times a day.

If you forget to use it

Consult your doctor on what you should do if you forgot to use it. You may continue to experience symptomatic discomforts listed.

If you use too much (overdose)

If you think you or anyone else may have used too much of this medicine or accidental ingestion occurs, consult a doctor immediately or go to the Emergency Department of nearest hospital. Do this even if there are no sign of discomfort

or poisoning. You may need medical attention.

While you are using *Tiger Balm Plus Ointment*

Things you must do

Apply on the affected area gently until completely absorbed.

Things you must not do

- Do not apply *Tiger Balm Plus Ointment* on wounds or irritated skin.
- Do not bandage tightly.
- Camphor can cause convulsion. Do not use on infants below 2 years of age. (Contraindication)
- Do not use during pregnancy or breastfeeding.

Things to be careful of

- Caution must be taken when older children are treated.
- Avoid direct contact with nostrils, eyes, mucous membranes or other tender body area.
- Discontinue use if excessive irritation of the skin develops.
- For external use only. Keep away from children.

Side effects

May cause allergic reaction in some individuals with sensitive skin.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by visiting the website npra.gov.my [Consumers→ Reporting Side Effects to Medicines (ConSERF) OR Vaccines (AEFI)].
